### FISCAL ANALYSIS

#### Assumptions:

#### **Department of Military Affairs**

- The bill does not amend the \$100,000 limit per biennium for incident response expenditures in 10-3-310, MCA, but expands the use of the \$100,000 to include costs for all-hazard incident management assistance teams.
- The spending authority for incident response is accounted for in the budget as part of the \$16 million general fund appropriation authorized in 10-3-312, MCA.
- No additional funds will be spent, but existing funds may be used for this purpose. Therefore, there is no fiscal impact.
